

Welcome to Dancin! in PORTOLA CA!

Registrations for dance classes are accepted throughout the year. Each dancer is assessed & placed into the appropriate class. Please be patient during this process. We are very skilled in this process and require that all dancers arrive on time for the class/es they wish to try.

Dance Class prices are very similar to last year's.

Prices are based on Monthly Installment plans. One month represents 4 weeks of classes. Tuition is due on the 1st of each calendar month. Payments (cash or check) should be placed in the locked payment box, or paid by cc if arrangements have been made. (Please read and complete the tuition policy and agreement forms provided). This
