**Dancin!s Annual Production (Performance Recital) Important information:**

Dear Students and Parents,

Dancin! is dedicated to providing our students with an exciting performance experience through it's June Recital. The Recital is the annual staple of any dance studio, and is a rite of passage for thousands of young people worldwide. Dancin! approaches it with a platform of professionalism by presenting it at the beautiful celebrity showroom in the J.A.Nugget, therefore providing our students with a professionally directed performance, which allows them to present the result of a year's worth of hard work and progress. So, it is a chance for our dancers and singers to shine in front of family and friends and is usually approached with anticipation, nervousness and excitement!

A big part of the dance and vocal training process includes learning through performance. This experience helps build self-esteem, self-assurance, self-awareness and contributes to a sense of confidence. Although performance opportunities can help prepare students for a possible career in the performing arts industries, they also contribute to the success in non-dance activities...Onstage experience can result in better school/business presentations, improved social skills, and stronger interview skills for future college and/or career opportunities.

The rehearsal process is also a tremendous learning experience, helping to develop attention skills, mastering memory techniques while working together with their peers on a group performance. It also shows the positive aspects of working as a team to create the best result.

Dedication to Recital commitments is the responsibility of both students and parents. This handbook was created in an effort to clarify what you might expect from us and what we at Dancin! expect from you, in terms of commitment and responsibility to the Annual Performance Recital, the Studio and the other students.

**RECITAL UPDATES** will be available at the front desk...please check with either Ms Mandy (Amanda), and your teacher. The recital is always a team effort and we rely on the parents of the children involved to take on this responsibility of making sure you are all informed.

**COSTUMES:** many many hours have gone into preparing the organization of the designs, ordering, and delivery of costumes. We, at Dancin! have taken the utmost care in our choices for cost efficiency and appropriate styles for the performance. Please pay for your costumes in a timely manner. The studio has already paid for them. Your instructor for each class will provide you with information on tights, shoes, hair and props that might be required. Please keep your costumes carefully after the recital. We are planning on a 'COSTUME DAY' next year...where you can sell and purchase to save all round.

**DRESS REHEARSAL AT STUDIO:** Each year Dancin! holds a rehearsal at the studio especially for the timing of costume changes, a final check of each costume and most importantly for the performer to be sufficiently comfortable and familiar with their costume prior to the final tech/dress rehearsal at the theater. These Dress rehearsals are MANDATORY. Check schedules for the times that you need to be ready for your rehearsal. Please arrive 30 minutes prior to your scheduled time to rehearse and be completely dressed in costume, with hair done as per directed.

**TECHNICAL & DRESS REHEARSAL AT THEATER:** This rehearsal at the theater is the final run through for the performer and is the only time that the technicians have to prepare the lighting, staging and sound cues. This rehearsal is also MANDATORY, for all the above reasons and very importantly for safety. Only the Parents and guardians of the performers are permitted to be seated in the audience at this rehearsal and there is to be NO NOISE coming from this area. This is the ONLY time that photographs may be taken from the audience.

**BACKSTAGE ETIQUETTE:** Parents and guests are not permitted to stay backstage, especially during the performance. Each performer must be as prepared as possible to 'go on' ie, ready to perform without having to 're-dress' unless they are in several numbers. Each performer will be instructed when to quietly leave the audience for their number. Whilst in the audience, the performer MUST WEAR A COVER UP, so as not to display their costume before or after their number. Ideally, plan to leave your audience seat for your number, quietly yet quickly, during the applause (between) a number. This should take place approx., 3 numbers before yours. Ask Ms Mandy if you are not sure. Do not use the emergency exit that is close to the stage. You must go through the front foyer of the theater, and take the side (hidden) corridor to backstage. Please respect these rules for a successful, safe and enjoyable experience for all.

**PHOTOGRAPHY:** Is not permitted at all on the evening of the actual performance. Photos may be taken during the tech/dress rehearsal only from the audience.

**PROFESSIONAL PHOTOGRAPHY:** Beautiful portraits for each class are taken on June 11<sup>th</sup> at Dancin!. You are not required to purchase these photographs, except for the Special Orders; Solos, Duos etc.

**VIDEOTAPING:** Is not permitted at all at any time. Please respect these rules. A professional videographer will be taking video of the production on the evening of the show. This company will professionally edit and have DVDs for your convenience available for purchase. Please order you copy at the front desk by June 6<sup>th</sup>, for the best discounted price.

**PERFORMANCE 'RECITAL' FEE:** Per performer...\$25. Per 2 in a family \$45, Per 3 in a family \$60, and Per 4 in a family \$75. Each performer will be given an actual ticket to sit with/or as close as possible to their family and guests in the audience.
